

## **Telmap Ltd. Privacy Policy for Telmap User Group**

Privacy is an important concern for users, and is something that Telmap Ltd (“Telmap”) takes very seriously. What follows is an explanation of Telmap's policy for protecting users' personal information.

Telmap keeps the personal information we receive from you completely confidential and uses it solely to provide the goods and services you have requested and for internal business review purposes. We will not share your personal information with any other parties without your express consent other than as is necessary to provide the goods and services you have requested or as may be required by law.

### **Collection of your Personal Information:**

The personal information we collect may include your name, company, address, telephone number, e-mail address, routes, GPS locations and GPS track logs. We may collect additional information such as search terms, searched locations, how you use the application and dates and times associated with your use of Telmap Navigator or Telmap5 (“Telmap products”). This information is used to help improve Telmap products.

### **Use of your Personal Information:**

The personal information collected through the Telmap User Group and through your use of Telmap products will be used to provide the services you have requested. In addition we may use your personal information to provide you with important information about the product or service that you are using, including new releases updates and notifications. We may also send you information about other Telmap products and services, or contact you to ask for feedback.

### **What is Telmap's policy on calling or e-mailing?**

Telmap may contact you from time to time to draw your attention to information that may be of interest to you, or to ask you for feedback on your experiences with Telmap products.

### **Legal responsibilities**

Telmap reserves the right to disclose personal information if required to do so by law, or in the good faith and belief that such action is reasonably necessary to comply with legal process, respond to claims, or protect the rights, property or safety of Telmap, employees or members.

### **Who should I contact if I have any questions or concerns about my privacy?**

If you have any questions or concerns about your privacy and Telmap please contact the Telmap User Group Administrator at [tugadmin@telmap.com](mailto:tugadmin@telmap.com).
